RIO FERDINAND

Football Escapes Director & Ambassador

“You’re one step closer to a Football Escapes holiday. And it will be a holiday you will never forget, because we’re here to create memories that will last a lifetime.

“Central to that vision, in making dreams come true, is giving children of all abilities the chance to play and learn from our team of Ambassadors and UEFA licensed coaches. Our camps are fun and engaging – while they also help to develop the technical side of the game.

“We see smiles on faces from start to finish. My own kids love Football Escapes holidays and your children will have the best of times too. They’ll even make a load of new friends along the way.

“On and off the pitch, there is so much for the whole family to see and do. Put simply, you’re in for a very special time.”

WHAT WE DO

At Football Escapes, we provide more than just the football. It's the whole holiday experience. That's what makes our football holidays truly special.

Our team of in-house travel consultants are always on hand to guide and support all of your travel planning. They'll also create the best personalised itinerary for you and your family. It's what they do.

They'll also take care of all of your pre-holiday planning, reservation requests and any questions you may have - before and during your stay.

When booking a Football Escapes holiday, not only will you get access to our renowned concierge services; you'll also receive a once-in-a-lifetime personalised video message and signed shirt from one of our Ambassadors.

OUT ON THE PITCH

Let's talk about the football – because the children are in for a very special time.

You won't find another football experience like our one. We work with genuine Premier League legends and some of the best UEFA licensed academy coaches around.

We want to give boys and girls of all playing abilities, aged from five to 15, a platform to develop their game. And they will. Thanks to the fun, yet engaging environment that we create.

They'll work on many wide-ranging aspects of the game; from shooting and decision making to tactical awareness and technical skills. Not only will children evolve their game, they'll also make a load of new friends along the way.

A typical seven-day holiday will consist of five two-hour sessions, Monday to Friday from 10am to 12pm. Each player will also get a full personalised Rascal x Football Escapes kit and a medal on completion.

Let the fun begin!

PARENTS' MATCH

It's not just the kids that have all of the fun out on the pitch. We also run a match for the parents – which means mums and dads also get the chance to play with our Ambassador and coaches. So don't forget to pack your own boots or trainers! Quite often, the group will then head to the bar for a little expert analysis over a cocktail or two.

DAILY CHALLENGES

We also love getting mum and dad up and involved in some of our daily football challenges in front of the kids and other parents. Think top bin target shooting, crossbar challenges and dizzy penalties... This is your time to shine, so no pressure!
